Our New Vaz & Rochester Series Glass

The new Vas and Rochester pendants are meticulously handcrafted, showcasing exquisite glass band detailing. These bands are the result of a complex and delicate glassblowing technique, making each pendant truly one-of-a-kind. While the exterior of the glass shade has a sleek and smooth finish, the interior surface features thickened bands that enhance its visual appeal.

Since each piece of this artisanal glass is crafted individually, minor variations are expected. These subtle differences contribute to the pendant's alluring aesthetic, adding a unique charm to your living space.

Venetian Glass

Inspired by the famous Italian glass makers, our new white Venetian glass seamlessly brings modern sophistication to a timeless design. With its captivating visual effects, the Venetian glass shade is an enchanting and elegant complement to our Ballston fixtures. The relaxed character of the classic globe made of blown white glass, combined with its gracefully flowing wave pattern, will add a radiant glow throughout a space.
